

**OROVILLE CITY COUNCIL  
STAFF REPORT**

**TO: MAYOR AND COUNCIL MEMBERS**

**FROM: G. HAROLD DUFFEY, CITY ADMINISTRATOR** 

**RE: ADOPTION OF THE ANNUAL BUDGET FOR FISCAL YEAR 2012/13  
WITH RECOMMENDATIONS**

**DATE: JULY 10, 2012**

**SUMMARY**

The Council will consider adopting the Fiscal Year 2012/13 Annual Budget with recommended changes as discussed at the four Council Workshops held on June, 5, 14, 19, and 27.

**DISCUSSION**

On June 5, 2012 the Council kicked off its 2012/13 Adopted Preliminary Budget, which is based on the 2012/13 Financial Plan approved by the Council with last year's budget. The Financial Plan for 2012/13 is really the backbone of the proposed 2012/13 Preliminary Budget (Attachment 1). The Council had three additional workshops on June 14, 19, and 27. The following items were discussed:

- Other Funds (over \$20,000,000)
- General Fund deficit reduction strategies
- Uncommitted Fund Balances (cash on hand) - Attachment II
- Staff's progress on the Council's Priority Goals and Objectives

**Budget  
Adjustments**

The Preliminary Budget is a projection based on trends and ¾ of this fiscal year. As Staff closes out this fiscal year and additional information is received, our

projection is subject to change. Although, it is not likely that there will be a significant change in our projection but in these economic times, staff would caution on taking drastic steps on reducing staff without being able to review a full years worth of financial data. A quick review of the last two years shows that the original structural deficit did not occur and the City finished with two balanced budgets. Staff believes that its recommendation will accomplish long-term sustainability.

In addition, the City has taken major steps to increase revenue through economic development and anticipates sales tax increases over the next 36 months from the following sources:

- Marshalls
- PETCO
- Ford Dealership Relocation
- Super Wal-Mart
- Gateway Development Project

During the workshops staff recommended the Council employ the following strategy:

- Use Contingency Fund to support Other Funds that are grossly underfunded (attachment III).
- Reduce structural deficit in General Fund from approximately \$850,000 to approximately \$700,000 by partially funding three public safety positions (two police officers and one fire fighter) that were formerly funded by the Redevelopment Agency. Direct staff to return to the Council no later than December 2012 with a funding plan derived from savings or a new funding source for the safety positions. If the Council employs this strategy, it will have a significant impact on long term sustainability for the City's General Fund (Attachment IV)
- Approve additional equipment and position request as identified in attachment V.
- Continue to focus on Council's Priority Goals and Objectives (Attachment VI)

## **FISCAL IMPACT**

Proposed Adopted Annual Budget has a projected structural deficit of approximately \$850,000. If Council partially funds safety positions that were formerly funded by the Redevelopment Agency, the structural deficit could be reduced to \$703,000. This strategy will assist the City in developing a sustainable budget.

## **RECOMMENDATION**

Adopt Resolution No. 7949 – A RESOLUTION OF THE OROVILLE CITY COUNCIL ADOPTING THE ANNUAL BUDGET FOR FISCAL YEAR 2012/13 WITH RECOMMENDED CHANGES.

  - a. Reduce funding by .5 for 2 officers within the police department and

**RE: REVIEW OF THE PRELIMINARY ANNUAL BUDGET FOR FISCAL YEAR  
2012/13**

**DATE: JUNE 5, 2012**

**SUMMARY**

The Council will conduct a public hearing regarding the Preliminary Annual Budget for fiscal year 2012/13 and set dates for additional study sessions.

**DISCUSSION**

The Preliminary Budget is a document which the Charter requires staff to prepare on or before June 1<sup>st</sup> of each year. The Preliminary Budget is presented by the City Administrator as the fiscal plan for 2012/13 and long term financial strategy. The Preliminary Budget is the starting point for discussions by the Council/Commission upon review of the City Administrator's Preliminary Budget, the Council/Commission may amend (enhance or reduce expenditures as a policy decision). These amendments are then incorporated into an Adopted Budget, which must be approved at the first meeting in July.

In accordance with the City Charter, the City Clerk must set the date for the public hearing no less than five days after the receipt of the Preliminary Budget. The City Clerk proposes to conduct public hearing at this time to obtain public input. The Council/Commissioners may also want to consider holding additional study sessions between now and June 15, 2012. In accordance with the City Charter, the Budget would be adopted no later than July 3, 2012 (the first meeting of the 2012/13 fiscal year).

**RECOMMENDATIONS**

Provide direction to staff for setting study sessions dates for discussion of any possible changes to the Preliminary Budget for fiscal year 2012/13 to be reflected in the Adopted Budget.
