Waste Management Plan

Pursuant to Ordinance Number 1721, Chapter 11D of the City of Oroville Municipal Code the following projects are required to submit a Waste Management Plan:

1. Residential additions of 100 square feet or more of gross floor area;
2. Tenant improvements of 500 square feet or more of gross floor area;
3. New Structures of 500 square feet or more of gross floor area;
4. Demolition of 100 square feet or more of gross floor area; and
5. All City public works and City public construction Projects, which are awarded pursuant to the competitive bidding procedure.

To assure compliance with the Waste Management Plan you must provide the waste management compliance official ORIGINAL RECEIPTS from Recology Butte-Colusa Counties indicating actual weights and volumes received. THESE RECEIPTS MUST BE PROVIDED OR A FINAL OCCUPANCY PERMIT WILL NOT BE GRANTED.

Please complete the following sections calculated with the Conversion Rate:

- | | |
|--|---|
