Your statement and word count begin here:

I have worked hard to keep our water prices lower when I challenged the CPUC & CalWater. I've fought for our beautiful trees against PG&E and I believe strongly in holding DWR accountable for the Dam and as well as the benefits & monies we are entitled to. I feel strongly in supporting our police & fire departments as well as reaching out to homeless & finding services for them. I believe we need to work with the county for better drug addiction assistance as well as mental health benefits. I am an impartial person that reserves my own opinions until all the facts have been gathered. I enjoy hearing new ideas & perspectives and I'm an excellent listener.

Stephanie Tousley - Candidate Statement

I have worked hard in the past to make our water prices lower when I challenged the CPUC and CalWater, I've fought for our beautiful trees against PG&E, and I believe strongly in holding DWR accountable for the terrible shape of the Dam as well as the benefits and monies we are entitled to. I feel strongly in supporting our police and fire depts as well as reaching out to homeless and finding services for them. I believe we need to work with the county for better drug addiction assistance as well as mental health benefits. I am an impartial person who reserves my own opinions until all the facts have been gathered. I enjoy hearing new ideas and perspectives and I'm an excellent listener.
