## INTRODUCTION

---

The City of Oroville (“City”) is the Housing Successor entity of the former Oroville Redevelopment Agency (“Agency”). The Agency was dissolved by California State law on February 1, 2012. The former Agency’s affordable housing rights, powers, assets, liabilities, duties, and obligations, excluding any amounts in the Agency’s Low and Moderate Income Housing Fund, were transferred to the City. Housing assets and liabilities were transferred to the City through a Housing Asset Transfer Form approved by the Department of Finance (“DOF”) on September 7, 2012. Unlike the former Agency, the City does not collect a recurring stream of funds to fulfill affordable housing obligations and needs.

This annual report contains information regarding expenditures and program activity to comply with legal requirements imposed by Senate Bill (“SB”) 341 (effective January 1, 2014), Assembly Bill (“AB”) 1793 (effective January 1, 2015), and SB 107 (effective September 22, 2015).

## DEFINITION OF HOUSING ASSETS

According to Health and Safety Code (“HSC”) Section 34176(e), housing assets may include the following.

- Real property
- Restrictions on the use of property
- Personal property in a residence
- Housing-related files
- Office supplies and software programs acquired for low-and moderate-income purposes
- Funds encumbered by an enforceable obligation
- Loan or grand receivable funded from the former LMIHF
- Funds derived from rents or operation of properties acquired for low-and moderate-income housing purposes
- Rents or payments from housing tenants or operators of low-and moderate-income housing
- Repayment of Supplemental Educational Revenue Augmentation Fund loans

Most assets transferred from the former Agency to the City include real properties, affordable housing covenants, and loans receivable.

## REPORTING REQUIREMENTS FOR HOUSING SUCCESSOR AGENCIES

SB 341 and related legislation clarified that all former redevelopment agency housing assets, regardless of their originating redevelopment agency, must be maintained in a separate fund called the Low and Moderate Income Housing Asset Fund (“Housing Asset Fund”). In accordance with HSC Section 34176.1(f), the following data must now be reported annually for the Housing Asset Fund. Please note that while annual reporting is required, compliance periods may be longer, as described below. Not all items are applicable to all housing successors.

1. Total amount deposited in the Housing Asset Fund for the Fiscal Year.
2. Statement of balance at the close of the Fiscal Year.
3. Description of expenditures for Fiscal Year broken out as follows:
  - a. Rapid rehousing or homelessness prevention (maximum of \$250,000 per year)
  - b. Administrative expenses (greater of \$200,000 or 5% of “portfolio”)
  - c. Monitoring expenses (included as an administrative expense)
  - d. All other expenditures must be reported as spent for each income group (extremely low-, very low-, and low income)
4. Sum of other “Portfolio” balances
  - a. Statutory value of real property either transferred from the former Agency or purchased by the Housing Asset Fund.
  - b. Value of loans and grants receivable.
5. Descriptions of any transfers to another housing successor for a joint project.
6. Description of any project still funded through the Recognized Obligation Payment Schedule (“ROPS”).
7. Update on property disposition for any property owned more than five years or plans for property owned less than five years.
8. Description of any outstanding production obligations of the former redevelopment agency that are inherited by the Housing Successor.
9. Compliance with proportionality requirements (income group targets). Compliance must be upheld on a five-year cycle.
10. Percentage of deed-restricted rental housing restricted to seniors and assisted by the entity assuming housing functions, the former Agency, or the City within the past 10 years compared to the total number of units assisted by any of those three agencies.

11. Amount of excess surplus, and if any, the plan for eliminating the surplus.
12. An inventory of homeownership units assisted by the former Agency or its housing successor subject to covenants or restrictions.
13. The amount the City receives from the repayment of City loans to the former Agency pursuant to HSC 34191.4(b)(3)(C) (if any).

## **LOW AND MODERATE INCOME HOUSING ASSET FUND**

The Housing Asset Fund includes all assets that were transferred from the Agency to the City via the Housing Asset Transfer form, which included:

1. Real properties,
2. Affordable housing covenants,
3. Personal property (a staff vehicle),
4. Loans receivable, and
5. Residual receipts.

A copy of Oroville's Housing Asset Transfer Form listing all transferred assets is included as Appendix A.

## **HOUSING ASSET FUND DEPOSITS AND ENDING BALANCE**

The City deposited \$532,501 into the Housing Asset Fund during Fiscal Year 2015-16. The source of the deposits was from interest earnings, fees, loan repayments, and other miscellaneous sources. No deposits were held for items on the Oroville Successor Agency's ROPS.

Fiscal year 2015-16 Housing Asset Fund expenditures totaled \$281,165. Expenses included costs for general administration, monitoring of affordability covenants, property maintenance and operations, outside service fees such as appraisals and credit checks, and program expenditures. Expenses include a \$181,735 foreclosure purchase, however that is not designated as a program-related expense because the cash used for the purchase was converted to real property value. If foreclosure properties are sold or repurposed for affordable housing, the acquisition expense may be applied as a program-related expense based on the income category of the household that is eventually assisted. Program-related expenditures are discussed in greater detail later in this report.

At the close of fiscal year 2015-16, the ending balance in the Housing Asset Fund was \$1,054,777. No amounts are held for enforceable obligations on the ROPS.

**EXPENDITURE LIMITATIONS**

The HSC provides the following guidelines for expenditures from the Housing Asset Fund:

1. Administrative costs, which include housing monitoring, are capped at \$200,000 or 5% of the statutory value of any land owned by the housing successor and of loans and grants receivable. Oroville’s administrative cost cap for Fiscal Year 2015-16 was \$368,927 based on this formula.
2. A housing successor is authorized to spend up to \$250,000 per year on homeless prevention and rapid rehousing services if the former Agency did not have any outstanding housing production requirements. The former Agency had a surplus of affordable housing production units; therefore, the City can spend money on this category if it chooses and funding is available.
3. Remaining allowable expenditures must be spent on the development of housing affordable to households earning 80% or less of the area median income (“AMI”). This means that no funding may be spent on moderate-income households, as was previously authorized by redevelopment law. Of the money expended, a minimum of 30% must go towards the development of rental housing affordable to households earning 30% or less

of the AMI, and a maximum of 20% may go towards the development of housing affordable to households earning between 60% and 80% of the AMI.

“Development” in this context means new construction, acquisition and rehabilitation, substantial rehabilitation, the acquisition of long-term affordability covenants on multifamily units, or the preservation of an assisted housing development (i.e. extending the term of affordability restrictions).

Note that housing successors must report expenditures by category each year, but compliance is measured every five years. For example, a housing successor could spend all of its funds in a single year on households earning between 60% and 80% AMI, as long as it was 20% or less of the total expenditures during the five-year compliance period. The first five-year compliance period began on January 1, 2014 and ends on June 30, 2019. Compliance will be evaluated in the annual report for Fiscal Year 2018-19.

Table 2 summarizes Housing Asset Fund expenditures on administrative costs and rapid rehousing solutions in Fiscal Year 2015-16, and affordable housing activities by income level made in the first five-year compliance period thus far.

From January 1, 2014 through June 30, 2016, the City spent \$160,000 on Lease to Purchase paper loans for a low income households from the Housing Asset Fund. The City may exceed the 20% maximum limit on expenditures for low income housing, unless it can substantially increase expenditures towards both extremely low and very low income housing within the next few years. Presently, the \$160,000 spent on low income housing projects is approximately 70% of the total project expenditures. In order to avoid a temporary moratorium on spending more Housing Asset Funds on low income housing projects, the City will need to first spend at least

\$640,000 on very low and extremely low income housing projects. Of the \$640,000 that should be expended on very low or extremely low income housing projects, at least \$240,000 must be spent on rental housing affordable to extremely low income households. The City has made a preliminary commitment of \$660,000 towards the development of Sierra Heights project which may have as many as 6 extremely low income units if developed as anticipated during the next few years.

## STATUTORY VALUE OF REAL PROPERTIES AND LOAN RECEIVABLES

The City must report the statutory value of real properties formerly owned by the Agency or purchased by the City with Housing Asset Funds, and the value of loans and/or grants receivable transferred on the Housing Asset Transfer Form. The City inherited 19 real properties and 59 loan agreements from the former Agency. Table 3 shows the total value of real properties and loans receivable. The Housing Asset Transfer Form in Appendix A shows more detailed information about each property and loan receivable.

Source: City of Oroville

Since the Housing Asset Transfer form was adopted, the City sold nine single-family homes through the Lease to Purchase Program, and is in contract to sell two more homes. Lease to Purchase Program sales totaled \$810,000 (\$65,000 in Fiscal Year 2015-16); however these are paper loan transfers documenting loans made to assist homebuyers and not cash revenues. The City also sold a plot of land at 1511 Robinson Street to develop a senior housing project in Fiscal Year 2013-14. Additionally, 23 loans have been paid off since they were transferred to the City. This includes 11 Rehabilitation Program loans, 10 Front Yard Landscape Improvement Program loans, one First-Time Homebuyer Loan, and one loan for a senior affordable housing development. Total Fiscal Year 2015-16 loan repayments totaled \$181,516.

## **PROPERTY AND PROJECT DESCRIPTIONS**

---

The Agency transferred 19 real properties to the City on the Housing Asset Transfer Form. Table 4 describes each property and their current development or disposition status. Ten properties have sold and two are in contract to be sold since assets were transferred to the City. One property was sold in FY 2015-16 and two were sold in FY 2016-17; the remaining properties were sold in prior years. The City is developing a strategy for the disposition or development of remaining seven properties (see the first seven properties listed on Table 4).

It is taking several factors into consideration, including whether it is more beneficial to develop properties to provide housing, or to receive sales proceeds to spend on affordable housing activities within the expenditure limitations set by SB 341.

## PROPERTY DISPOSITION COMPLIANCE

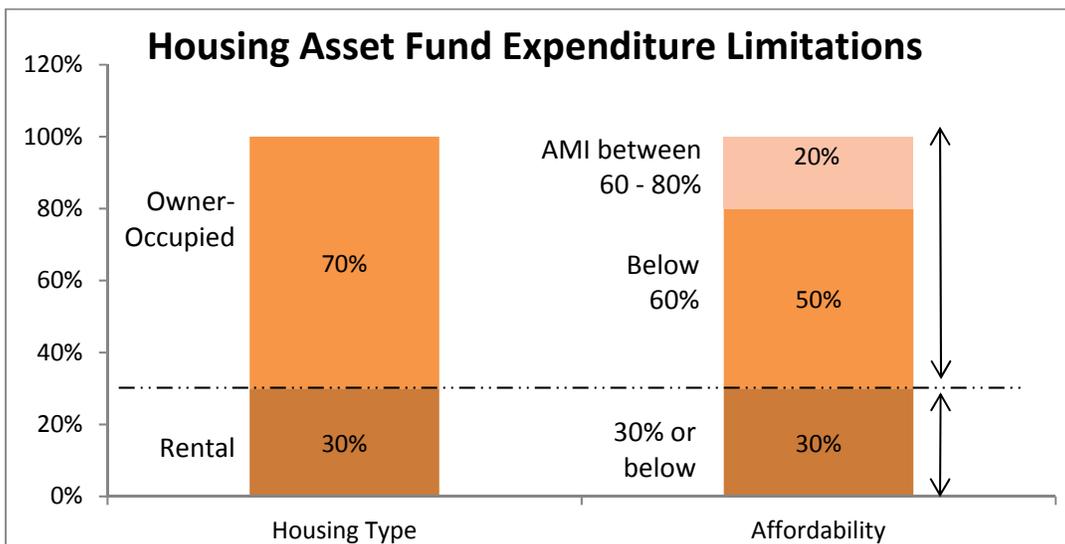

HSC Code Section 34176(e) requires that all real properties acquired by the Agency prior to February 1, 2012 and transferred to the City be developed for affordable housing purposes or sold within five years from the date DOF approved the Housing Asset Transfer Form. Oroville’s original Housing Asset Transfer Form was approved by DOF on September 7, 2012, setting a five-year deadline of September 7, 2017. If the City is unable to develop these properties within the five-year period, the law allows for a five-year extension via adoption of a resolution. The City plans on extending the deadline as permitted by law and is developing a strategy that will comply with disposition requirements.

## OUTSTANDING INCLUSIONARY AND REPLACEMENT HOUSING OBLIGATIONS

The former Agency had a surplus of over 200 affordable housing units as of February 1, 2012. There are no outstanding inclusionary or replacement housing obligations to be fulfilled by the City.

## INCOME EXPENDITURE PROPORTIONALITY

Expenditures from the Housing Asset Fund shall be limited to the development of housing affordable to and occupied by lower income households earning 80% or less of the AMI. At least 30% of expenditures must be on the development of rental housing for households earning 30% or less of the AMI. Not more than 20% of expenditures may be spent on the development of housing for households earning between 60% and 80% of the AMI.

Failure to comply with the extremely low income requirement in any five-year compliance period will result in the City having to ensure that 50% of remaining funds be spent on extremely low income rental units until in compliance. Exceeding the expenditure limit for households earning between 60% and 80% of the AMI in any five-year compliance period will result in the City not being to expend any funds on these income categories until in compliance.

As depicted in Table 2, the City has expended funds on low income households. Staff will ensure that the City meets expenditures proportionality requirements by the end of the first five-year compliance period in Fiscal Year 2018-19.

### **SENIOR HOUSING EXPENDITURE PROPORTIONALITY**

This report must include an accounting of deed-restricted senior rental units that were produced over the last 10 years. The City must expend no more than 50% of the aggregate total number of senior housing units produced by either the City or former Agency during the past 10 years. Exceeding this limitation will prohibit the use of Housing Asset Funds to subsidize any senior rental units.

Multi-family projects that had affordability agreements executed within the last 10 years are listed in Table 5. These projects had a total aggregate number of 179 deed-restricted units, of which 50 (28%) are restricted to seniors. The City may spend more money subsidizing senior rental units in the future; however, it must ensure that no more than 50% of the total aggregate number of rental units produced within the preceding 10 years are restricted to seniors.

**Deed-Restricted Rental Units Assisted in 2006-07 through 2015-16** **Table 5**

**City of Oroville**

Property	Year Assisted	Senior Units	%	Non-Senior Units	%	Total Units
Orange Tree Senior Apartments	2012	50	100%		0%	50

Hillview Ridge Apartments II	2011		0%	57	100%	57
<b>Total</b>		<b>50</b>		<b>129</b>		<b>179</b>

**Total Deed-Restricted Senior Units: 28%**

## **EXCESS SURPLUS**

---

Excess surplus calculations were once performed by redevelopment agencies on an annual basis, and are intended to ensure that funds are expended to benefit low-income households in an expeditious manner. Generally speaking, funds should be encumbered within four years of receipt. SB 341 reinstated this calculation for housing successors. Excess surplus is defined by HSC Section 34176.1(d) as “an unencumbered amount in the account that exceeds the greater of one million dollars, or the aggregate amount deposited into the account during the housing successor’s preceding four fiscal years, whichever is greater.”

The first meaningful calculation of this total cannot be performed until the close of the fifth fiscal year. After four years of deposits have been established, the City must perform a true excess surplus calculation at the close of the fifth year, comparing the unencumbered fund balance to the prior four years of deposits. As the general purpose of the excess surplus calculation is to ensure that money is expended for low-income purposes, the best action for the City is to encumber or expend money currently on deposit.

## **INVENTORY OF HOMEOWNERSHIP UNITS**

---

AB 1793 requires this report to include an inventory of homeownership units assisted by the former Agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former Agency’s investment of moneys from the LMIHF. This inventory is attached as Appendix B.

## **DEPOSITS FROM CITY TO AGENCY LOAN REPAYMENTS**

---

HSC Section 34191.4(b)(3)(C) requires that twenty percent of any loan repayment made from a successor agency to a City for a loan to the former redevelopment agency be deducted from the loan repayment amount and transferred to the Housing Asset Fund. There were no loan repayments made to the City in FY 2015-16, so no monies were deposited in to the Housing Asset Fund based on this provision of the law.
